D

PRELIMINARY AMENDMENT

Commissioner of Patents

Washington, D.C. 20231

Sir:

Prior to calculation of the filing fee, please amend
the above-identified application as follows:

IN THE CLAIMS:

Cancel claims 1-43.

Add the following new claims:

9

--44. (new) A syringe intended for the parenteral
injection of a semi-solid formulation, comprising a hollow
element forming a reservoir (1), for containing a semi-solid
preparation to be injected, between a piston and a base (4) of
a needle (3) which comes into contact with one end of said
reservoir (1), so that the piston (2) comes into direct
contact with said base (4) at the end of injection of the dose
contained in said element forming a reservoir, said element
forming a reservoir (1) and said needle (3) being held
fastened to each other by direct application of the element
